

## Payment Policy

At Schneider & Coco Family Dentistry we strive to serve all of our patients with the best, most up to date care. Our ability to continue to provide the highest level of service is dependent on prompt payment of accounts.

Payment is due in full at the time of treatment unless prior arrangements have been made regarding payment plans or insurance. Our office will submit your procedures to insurance for you, but once insurance has paid, the remainder of the balance is your responsibility.

We also happily set up payment plans, but those must be discussed prior to beginning services.

Finally, any account which is not paid and payments have not been established will be turned over to a collection agency after 90 days.
